

Job Vacancy - Class Teacher

Our Federation strives to enable all in our community to be the best they can be. We are looking for a nurturing, proactive and highly motivated individual to join the West Berry Federation staff team. If you are a wonderful teacher with the skills, experience and passion to teach and care for our Reception, Year 1 & 2 children, we'd love to hear from you.

We are a close team who work together to support all of our children. Teachers often deliver lessons across all classes and get to know all children in our schools. We have a joint commitment to ensuring the achievement, welfare and safety of all of our children. Our teachers have an allocated class each morning where they teach English and Maths. Afternoons follow a 'Specialist Teacher' timetable where staff teach one subject across all year groups and across the Federation.

The position is initially for a Year R, 1 & 2 teacher to work at Berrynarbor School

Visits to our school prior to application are encouraged but we understand that this may be difficult if you are currently employed in a school. We are happy to organise a video tour and/or informal discussion for those unable to attend in person.
