> Nativity, Harvest & federation musical Performance

Studying a vanity of religions through RE

Local walks and visits

Virtual Tours i.e Google Earth, Natural History Museum

Celebration of Learning

variety of visitors

Opportunities to explore, observe and record the world around them.

## **INTENT - Purpose of Study**

All children deserve the best possible start to their early education, building the foundations to prepare for future success. Our school values provide the core for a curriculum that enables children to become the best they can be. Reception children flourish as unique individuals whilst feeling safe as part of our Federation Family. They develop a curiosity and thirst for learning which is fostered through adult led activities and continuous provision. Close partnerships with parents support learning and help develop happy learners.

Celebration of Learning

Communication &

Language

Our children will be confident communicators with a rich vocabulary, enabling them to express themselves effectively.

**PSED** 

Our children will know

how to make healthy

choices. They are able

to express their

feelings and

understand their

emotions. They feel

part of our school

family.

**Development** 

Our children can manipulate tools effectively. They have developed their core strength and coordination to enjoy an active lifestyle.

Pen discol **Physical** scissor discol dough disco

Our children begin to develop a lifelong love of reading a variety of genres. Through the Read, Write, Inc. phonic scheme they will be able to read and write simple sentences.
